

HONEY-HOISIN ROTISSERIE CHICKEN

HEATING INSTRUCTIONS:

If frozen, defrost overnight in the refrigerator.

1. Preheat oven to 400° F (375° F convection), and set oven rack to the middle position. Pour a little water in the bottom of the chicken pan.
2. Place chicken, with liner intact, on middle rack of oven.
3. Bake for 30 minutes.
4. Remove liner, baste with some honey-hoisin sauce, and bake for 10 more minutes. Meanwhile, reheat rice in the microwave, or transfer contents to a frying pan, and heat over medium heat, tossing occasionally and scraping the bottom of the pan to prevent scorching.

BON APPÉTIT!

For food safety, all hot items should be heated to a minimum of 165° F
